DATE: 11.07.2026

TO WHOM IT MAY CONCERN:

We are pleased to recommend **JAYANI S E , from the Department of MTECH INTEGRATED SOFTWARE ENGINEERING, VIT VELLORE, has successfully completed a one-month internship and live project program at CopterCode , JUNE-JULY** in the field of **FULL-STACK Development & Software Development.**

During the internship, **JAYANI S E** worked under the guidance of our engineering and R&D teams and was actively involved in both the hardware and software aspects of our projects. As a representative of the HR department, I had the opportunity to observe consistent dedication and the positive feedback received from mentors and team members.

Some noteworthy contributions include:

- Designing and implementing user interfaces and backend services for web applications. Working with frontend and backend frameworks to develop scalable, efficient, and maintainable code.
- Collaborating on database design, API integrations, and deployment processes.
- Debugging, testing, and optimizing software components to ensure high performance and reliability.
- Demonstrating problem-solving skills, adaptability, and effective collaboration in a team environment.

JAYANI S E stood out as a diligent and motivated intern, eager to learn and contribute to real- world projects. The technical skills and collaborative attitude displayed made a valuable impact on the team during the internship period.

We are confident that **JAYANI S E** will continue to excel in future academic and professional pursuits. We at CopterCode wholeheartedly recommend consideration for any opportunity that aligns with these skills and interests.
For verification or further information, please feel free to contact us.

Sincerely,

BEST REGARDS,
KARTHIKEYAN SUNDHARESAN,
HR TEAM HEAD,
COPTER CODE.
